TENURE TRACK FACULTY POSITIONS AT USASK SASKATOON CAMPUS

The College of Nursing, University of Saskatchewan is seeking professional, innovative, and team-oriented individuals to join our community of scholars to push the boundaries of nursing knowledge and education. We are seeking applications from qualified individuals for four full-time, tenure track positions to be located at the university's main campus in Saskatoon, Saskatchewan.

The College of Nursing specializes in community-engaged health and nursing, health equity, and health systems and education research. We seek to be leaders in innovative technologies related to teaching and learning. Our "Learn Where You Live" approach to nursing education delivery is unique in Western Canada. We foster the development of rural and remote nursing education, interprofessional education, and Indigenous collaboration. College of Nursing researchers seek to improve health for individuals, families, and communities locally and globally. The successful candidates will be joining a research-intensive environment and will be expected to contribute to excellence in research and scholarship through high quality peer reviewed publications in their areas of expertise.

Saskatoon is a place where prairie hospitality meets big-city sophistication; where local dining and compelling cultural events converge and where natural beauty beckons to a world of outdoor adventure. The College of Nursing in Saskatoon is located on the beautiful University of Saskatchewan campus, home to the largest cluster of health science disciplines in Canada. The state-of-the-art Health Science building provides an outstanding environment for interprofessional collaboration. Faculty, staff and students are directly connected to Royal University Hospital and have access to many on-campus amenities, such as the Physical Activity Complex, residence and the Health Science library.

Candidates must hold a PhD or equivalent, have at least one degree in nursing and be eligible for RN or RN(NP) registration in Saskatchewan. Teaching experience and a defined program of research and scholarship is also required.

Interested candidates must submit a complete application package including:

- cover letter explaining their interest in the position
- detailed curriculum vitae
- teaching philosophy and brief statement of teaching experience
- Statement describing their program of research/scholarship.
- Three current letters of reference forwarded by the referees directly to heather.helt@usask.ca

Please submit all documents to University of Saskatchewan, College of Nursing Search Committee c/o Heather Helt, Email: heather.helt@usask.ca. Only complete application packages will be considered.

Ranks and salary will be based on academic and professional qualifications, experience and accomplishments of the successful candidates. The salary bands (2025-2026 academic year) are Assistant Professor \$110,489 to \$131,900 and Associate Professor \$131,909 to \$153,329, Professor \$153,329 to \$178,319. These positions include an attractive comprehensive benefits package which includes a dental, health and extended vision care plan; pension plan, life insurance (compulsory and voluntary), academic long-term disability, sick leave, travel insurance, death benefits, an employee assistance program, a professional expense allowance, and a flexible health and wellness spending program.

Review of applications will begin April 30, 2025; however, applications will be accepted and evaluated until the position is filled. The anticipated start date is July 1st, 2025.

The University of Saskatchewan is strongly committed to a diverse and inclusive workplace that empowers all employees to reach their full potential. All members of the university community share a responsibility for developing and maintaining an environment in which differences are valued and inclusiveness is practiced. The university welcomes applications from those who will contribute to the diversity of our community. All qualified individuals are invited to apply, but Canadian citizens and permanent residents will be given priority.
