Advising in One Word: DIVERSITY

- ❖ Geographically
- ❖ In the work we do
- ❖ In our student population

Advisors Work With:

- Prospective, BSN & PDBSN students
- Student registration, progression & graduation
- Student information systems & student enrollment services
- Student appeals & interpreting student policies
- Access and Equity Services & clinical accommodation committees
- Academic support (e.g. tutoring, lunch and learns, development of timetables)
- New student orientations
- Letters, nursing education verification & other student documentation
- College & campus wide colleagues to provide accurate information for the calendar, website and promotional materials

Connect with an advisor about students who:

- may be facing challenges
- need referrals to supports & resources
- need a deferred or supplemental exam
- need to explore registering or are registered with Access and Equity Services
- have been given a student performance contract
- need a change in program
- need a check-in or a listening ear
