

POST-DEGREE BACHELOR OF SCIENCE IN NURSING

Prerequisite Equivalents

The following table summarizes the course subject, number of credit units and available course options at a variety of institutions in Saskatchewan that can be used as prerequisites for the Post-Degree Bachelor of Science in Nursing (PDBSN) option.

If you are attending a post-secondary institution outside of Saskatchewan, please visit admissions.usask.ca/nursing.php for course equivalency information.

The College of Nursing does not pre-evaluate courses prior to receiving an application and respective fee.

Course Subject	Credit Units (cu) Required	Name of Institution			
		University of Saskatchewan Saskatoon	Athabasca	University of Regina	Saskatchewan Polytechnic
