

Philanthropy

is said to be the practice of giving money and time
to make life better for other people, often involving some personal sacrifice.
With gratitude, the College of Nursing recognizes our philanthropists who have given
accumulated gifts of \$1000 and over, as of April 30, 2017. Thank you!

Anonymous Gifts

In addition to the above gifts, **\$514,329** has been **donated anonymously**.

Bequests and Planned Gifts

Our heartfelt thanks to those who have the passion for nursing education and the foresight to plan a gift of a bequest or life insurance.

For corrections, or to add your name to this list of champions please contact the [College Relations Officer](#).
