### Post-workshop learning

Get a free account to access library resources such as e-books, journals, e-CPS and more from the SHIRP website (<http://shirp.usask.ca>). Internet access is required to use most resources but there are some mobile apps that do not need wi-fi to use, such as Dynamed Plus.

Get a SHIRP account by filling in the online form at <http://shirp.ca/user/register>.

**Resources are available to practitioners in Saskatchewan only.**

***Please drop by the SHIRP table in the display area for more information on how to sign up for a SHIRP account or any questions you may have***
