Socrative SimWar Pretest

Socrative by MasteryConnect is a free student response system that can work on any device or browser. The development of quizzes and “space races” is completed by the facilitator to identify previous learning, new ideas, or development of knowledge. Socrative provides real time results to assist with development of the learning plan for individual student scholarship.

Please use your smart phone, laptop, or browser device. Search Socrative Student, download the app. Open the app on the browser.

Identify the teacher’s room name as: SimWar0126 (no spaces)
