PRINCE ALBERT - SEPTEMBER 25

LLOYDMINSTER - NOVEMBER 21

SASKATOON - DECEMBER 13

CELEBRATING 85 YEARS

85 years of delivering nursing education in Saskatchewan.
85 years of educating the health-care professionals of the future.
85 years of nursing scholarship and research.
This is the history of the University of Saskatchewan College of Nursing.

“We have been fortunate to have the opportunity to celebrate this historical milestone with our students, alumni, faculty, staff, community partners, government, college supporters, and friends.”

First as a department in the School of Medical Sciences (now the University of Saskatchewan College of Medicine), the School of Nursing was established in 1938. The School of Nursing became the College of Nursing in 1973.

currently practice as registered nurses at the bedside, worked or are working in the community, or educated or are currently educating the nurses of tomorrow in academia.

To mark this historical milestone, anniversary celebrations were held at College of Nursing campuses and sites across Saskatchewan in fall 2023.

“We have been fortunate to have the opportunity to celebrate this historical milestone with our students, alumni, faculty, staff, community partners, government, college supporters, and friends,” said College of Nursing Dean Dr. Solina Richter (DCur). “This is a history we should all be proud of.”

The College of Nursing includes 10,585 alumni who practiced or
