Welcome to the College of Nursing!

On behalf of the College of Nursing, we are pleased to welcome you to the Bachelor of Science in Nursing Program (BSN) at the University of Saskatchewan! We are proud to inform you that you are entering an SRNA approved and CASN accredited program that affirms our college's commitment to ensuring the highest standards of nursing education. You are about to embark on an education and profession that will be life changing. The College of Nursing offers an opportunity to connect with leading experts in teaching, practice, scholarship, and research. As well, your professional preparation in clinical areas will be conducted with exceptional nurses who are committed to collaborative practice and patient-centered care.

It is now time to take the next steps in preparation for the exciting journey ahead. We encourage you to access the following information by visiting this link:

<http://www.usask.ca/nursing/students/4yearbsn/gettingstarted.php>

- The Welcome Letter
