## ➤ Post-Degree Bachelor of Science in Nursing

Turn your existing undergraduate education into a Bachelor of Science in Nursing (BSN) degree at the University of Saskatchewan in just two years.

### THE POST-DEGREE BSN ADVANTAGE

- Recognizes previous university achievements
- Opportunity to complete your BSN in a shortened period of time
- Become immersed in theory and clinical practice and apply what you learn quickly
- Enrich your learning experience by studying with students who have degrees from diverse disciplines
- University of Saskatchewan Community of Aboriginal Nursing (UCAN) recruits and supports Aboriginal students
- Many scholarships and bursaries available for nursing students
- Opportunity to take your studies to the next level in our graduate studies program

**Become a Nurse.**  
Make a difference in the world.
