WELCOME TO THE UNIVERSITY OF SASKATCHEWAN
COLLEGE OF NURSING

On behalf of the University of Saskatchewan (USask) College of Nursing, we are pleased to welcome you to the Bachelor of Science in Nursing (BSN) program!

You are entering a nursing program that is approved by the College of Registered Nurses of Saskatchewan and accredited by the Canadian Association of Schools of Nursing.

Through the integration of research, education, and practice, USask College of Nursing strengthens nursing, health, and the health care system. We value integrity, social justice, unconditional positive regard, achieving one’s potential, and have high expectations of our faculty, staff, and students.

You will be taught by exceptional registered nurses who are committed to collaborative practice and patient-centered care. You will be supported throughout your program by College of Nursing staff who are here to help you along your way with everything from academic advising to ensuring you fulfill your clinical requirements.

Note: As Public Health orders allow, the College of Nursing will transition back to in-person classroom delivery in Fall 2022. Theory classes, labs, and seminars will be in-person and clinical experiences will continue as scheduled. For the most up-to-date COVID-19 information and University of Saskatchewan policies, please visit covid19.usask.ca.

CHOOSING YOUR CLASSES - Important!!! READ fully
There is a seat in every class and lab for you.
We have created two, time compatible pathways – if you choose to mix and match you may have or create time conflicts – **you may be removed and asked to re-register** – this may impact your preferred lab timeslot - we have seats for everyone.

**Winter Term – January to April 2023 – choose either** - this will impact your spring term.

Pathway 220 has NURS 220 with a lab making Winter term a bit heavier.

Pathway 205 is lighter in the Winter term with only one lab. N220 is then in the Spring and takes 2 weeks into summer. **Note**: see Spring/Summer information.

**TEXTBOOKS**

You can order your textbooks and medical supplies from the Shop USASK Bookstore website at [https://bookstore.usask.ca/students.php](https://bookstore.usask.ca/students.php). Under Course Materials, select My Textbooks to access your textbook list. You will need to enter your NSID (e.g., abc123) and password.

Secondhand books may also be purchased from former or upper-year students. Textbooks can also be ordered through amazon.ca. However, please check that the ISBN number is the same as posted by the professor for the class.

**LIBRARY SERVICES**

As a University of Saskatchewan student, you have remote access to a number of electronic resources through the University of Saskatchewan Library. These can be accessed through the Library Resources channel in your PAWS account or at [https://library.usask.ca](https://library.usask.ca).

Distance and Distributed Library Services (DDLS) are available at no charge to all University of Saskatchewan students, faculty, and staff living outside Saskatoon. The library will supply materials from our collections in response to requests submitted electronically. Books will be mailed with a postage paid return label. Copies of journal articles do not have to be returned. [https://library.usask.ca/ddls/index.php](https://library.usask.ca/ddls/index.php).
STUDENT WELLNESS-HEALTH PLAN

Full-time, on-campus students automatically pay for a health and dental plan provided through their student association (the USSU for undergraduate students and the GSA for graduate students). You must have a Saskatchewan health card, (or health coverage equal to or greater than that provided by a Saskatchewan health card) in order to make a claim on this extended health coverage. See the details in the link below. http://students.usask.ca/health/health-plans.php#StudentHealthandDentalPlan

Students who are off campus (Regina, Prince Albert, Yorkton, Lloydminster, and the North) and those in Saskatoon who are taking NURS 450 and NURS 441 in fall term will not be paying into the plan. This Health Insurance fee is charged to your fall student fees only. If you are off campus in fall term, you will not be assessed the fee. If you wish to have coverage, you must opt in.

Please contact I have a Plan: http://www.studentcare.ca for more details.

GUIDANCE RESOURCES FOR OFF CAMPUS STUDENTS

Through USask’s free Guidance Resources program, off-campus and distance students can speak with financial experts, health coaches, mental-health clinicians, and lawyers.

Specialists are also available to provide pre-screened referrals and resources for just about anything on your to-do list. See details in the link below. https://students.usask.ca/

ACCESS AND EQUITY SERVICES

Students with disabilities such as Medical-based or learning, or requiring services or accommodation based, on other prohibited grounds of discrimination — including religion, family status (including pregnancy) or gender identity—can access further information and support through University of Saskatchewan Access and Equity Services at https://students.usask.ca/health/centres/access-equity-services.php as well, through on-site advising services at the Prince Albert campus.

ACADEMIC ADVISING AND LEARNING SERVICES

Academic advising is available on-site or virtually at the College of Nursing, Prince Albert Campus. Book an appointment and access frequently used forms at: https://nursing.usask.ca/advising/overview.php

Additionally, academic advising and support for Aboriginal students is offered in Prince Albert through the University of Saskatchewan Community of Aboriginal Nursing (UCAN) program: https://nursing.usask.ca/indigenousinitiatives/ucan.php

University of Saskatchewan Student Learning Services are available to all students throughout the academic year at https://library.usask.ca/studentlearning/

CLINICAL REQUIREMENTS

Please review the document titled Important Clinical Requirements included with this package. This document includes a checklist of requirements and deadlines that must be completed for fall term. CRIMINAL RECORDS CHECK & VULNERABLE SECTOR SEARCH
Please note your Criminal Record Check must be obtained from your home community. If your home community requires a letter to issue your CRC, please contact your Clinical Coordinator.

Please note any CRC’s from facilities where it states invalid without embossment or a seal is present (i.e. Saskatoon Police Services) must be provided as a physical original to your sites office as scanned copies from them are not valid. You may send a scan in before mailing your hard copy to facilitate the process.

IMMUNIZATION REVIEW
Please contact Student Wellness directly to schedule your immunization record review. Student Wellness can provide some outstanding immunizations and the required tuberculin skin testing (TST is subject to a fee). Please contact them at 306-966-5768 for more information.

TLR CERTIFICATES
Ensure you send both proof of registration and the certificate after completion. If you are planning to take TLR at Sask Polytech, https://saskpolytech.ca/programs-and-courses/part-time-studies/course/transfer-lift-repostntlrrc/SPCR-100/ ensure you send both proof of registration and the certificate after completion. Register early for a course as they fill up quickly and you cannot attend clinical without this course.
IMMUNIZATION REQUIREMENTS FOR PRINCE ALBERT NURSING STUDENTS

GENERAL INFORMATION

- The University of Saskatchewan requires that all students attending a Health Science College provide documented proof of immunization.
- All nursing students are required to complete the recommended immunizations for health care workers as outlined in the Saskatchewan Immunization Manual, Chapter 7 Section 6.3 (available online at: www.ehealthsask.ca/services/manuals/Pages/SIM.aspx) prior to any contact between students and patients/clients.
- Students are required to submit to the College of Nursing proof of immunizations prior to participation in clinical experience.
- Failure to maintain recommended immunizations may delay a student’s progress in their studies.
- Specific immunizations will be required for certain clinical placements and in specific circumstances such as disease outbreaks. Students who refuse or are unable to comply with this requirement may be at risk of not being able to complete required components of their program.
- Any applicable costs of immunization are the responsibility of the student.
- CONSENT: Immunization records and/or serology results will be shared from Student Wellness and/or the Nurse reviewing your records with your College and clinical placements throughout your studies as required – this is to ensure your safety and the safety of your clients. You are required to sign a consent form to authorize sharing of this information.

IMMUNIZATION INSTRUCTIONS

1. Review your immunization requirements (see page 3).
2. Locate your childhood and adult immunization records. If you do not have these records, contact your Public Health Unit or Family Doctor.
   a. If you were immunized in and around the Saskatoon area, please visit this website: www.saskatoonhealthregion.ca/locations_services/Services/Immunization/Pages/Immunization-Record-Requests.aspx or call the immunization record line at 306-655-4090. There is $25.00 charge to get your records.
   b. If you were immunized in and around the Regina area, call the Immunization Office at 306-766-7904. There is a $25.00 charge to get your records.
   c. For all other regions, contact your Home Public Health region. If you need to determine which region to contact, please visit: https://www.saskatchewan.ca/residents/health/public-health/public-health-offices
3. Send a copy of your immunization records AND Consent Form by August 31st (earlier is better if you can) to

   Email – student.wellness@usask.ca

4. You may choose to see your Family Physician to begin and/or complete your immunization review, however please note the following:

   a. For Prince Albert students, you are responsible for ensuring your immunizations are fully complete prior to submitting them.
SPECIFIC IMMUNIZATION REQUIREMENTS

Tetanus/Diphtheria (Td):
- Primary series of 3-5 doses, then a booster every 10 years

Pertussis:
- Primary series and adults are encouraged to have a Td booster with the pertussis component once in their adult lifetime. Some colleges mandate this.

Polio:
- Primary series, booster if travelling in endemic areas

Measles, mumps, rubella (MMR):
- Proof of immunity by serological evidence (please attach) OR by documented proof of vaccination with 2 doses of measles, mumps and rubella.

Tuberculin skin test (TST):
- Initial base line skin test required prior to client contact
- If there is a history of a positive Tuberculin, a CXR is required.

Hepatitis B:
- A series of two or three doses followed by an antibody check
- If you have already received the series, lab evidence of immunity is required (please attach).
- If the Hepatitis B Surface Antibody is non-immune (0 mIU/ml), a Hepatitis B surface antigen test must be done. If the antigen test is positive, consult your Health Care Provider. Refer to your specific College Policy for guidelines regarding clinical practice.
- If the antigen test is negative, (and antibody non-immune); revaccination and reassessment for immunity must be done.
- **Note:** if you do not currently have your Hepatitis B immunizations you should begin this series as soon as possible, as it takes several months to complete.

Varicella (Chickenpox)
- Serological evidence of immunity (please attach) OR proof of one or two doses of varicella vaccination

Influenza
- Recommended annually

COVID-19
- Strongly recommended
Immunization Requirements Consent

I agree to comply with all immunization requirements of the University of Saskatchewan. I give consent for my immunization records and/or serology results to be shared with my college, clinical placements, and administrative staff, as appropriate.
