## Student Wellness-Health Plan

Full-time, on-campus students automatically pay for a health and dental plan provided through their student association (the USSU for undergraduate students and the GSA for graduate students). You must have a Saskatchewan health card, (or health coverage equal to or greater than that provided by a Saskatchewan health card) to make a claim on this extended health coverage. Learn more about health and dental coverage [here](#).

Students who are located at the **Swift Current site** will not be paying into the plan. This Health Insurance fee is charged to your fall student fees only. If you are off campus in term 1, you will not be assessed the fee. **If you wish to have coverage, you must opt in.**

Please contact [Studentcare](#) for more details.

## Guidance Resources for Off-Campus Students

Through USask's free Guidance Resources program, off-campus and distance students can speak with financial experts, health coaches, mental-health clinicians, and lawyers.

Specialists are also available to provide pre-screened referrals and resources for just about anything on your to-do list. See details [here](#).

## Access and Equity Services

Students with medical-based disabilities, learning disabilities, those requiring services or accommodations, or those on other prohibited grounds of discrimination – including religion, family status (including pregnancy) or gender identity – can access further information and support through University of Saskatchewan [Access and Equity Services](#).
