Website: nursing.usask.ca

Parking

Free parking is available in the Parkland College parking lot (non-plug-in spaces only). Overflow parking is available at the Kinsmen Arena across the street from the college.

DISTRIBUTED SITE STUDENT SERVICES

Textbooks

You can order your textbooks and medical supplies from the [Shop USask Bookstore website](#). Under *Course Materials*, select *My Textbooks* to access your textbook list. You will need to enter your NSID (example: abc123) and password.

Used books may also be purchased from former or upper-year students. Textbooks can also be ordered through amazon.ca. However, please check that the ISBN number is the same as posted by the professor for the class.

Library Services

As a University of Saskatchewan student, you have remote access to various electronic resources through the University of Saskatchewan Library. These can be accessed through the Library Resources channel in your PAWS account or on the library [website](#).

Distance and Distributed Library Services (DDLs) are available at no charge to all University of Saskatchewan students, faculty, and staff living outside Saskatoon. The library will supply materials from our collections in response to requests submitted electronically. Books will be mailed with a postage paid return label. Copies of journal articles do not have to be returned.

Student Wellness-Health Plan

Full-time, on-campus students automatically pay for a health and dental plan provided through their student association (the USSU for undergraduate students and the GSA for graduate students). You must have a Saskatchewan health card, (or health coverage equal to or greater than that provided by a Saskatchewan health card) to make a claim on this extended health coverage. Learn more about health and dental coverage [here](#).

Students who are located at the **Yorkton site** will not be paying into the plan. This Health Insurance fee is charged to your fall student fees only. If you are off campus in term 1, you will not be assessed the fee. **If you wish to have coverage, you must opt in.**

Please contact [Studentcare](#) for more details.

Guidance Resources for Off-Campus Students

Through USask's free Guidance Resources program, off-campus and distance students can speak with financial experts, health coaches, mental-health clinicians, and lawyers.

Specialists are also available to provide pre-screened referrals and resources for just about anything on your to-do list. See details [here](#).

Access and Equity Services

Students with medical-based disabilities, learning disabilities, those requiring services or accommodations, or those on other prohibited grounds of discrimination – including religion, family status (including pregnancy) or gender identity – can access further information and support through University of Saskatchewan [Access and Equity Services](#).

Academic Advising and Learning Services

Academic advising is available both virtually and in-person in Saskatoon and Prince Albert. For students at distributed sites, academic advising is available virtually. Book an appointment with an advisor [here](#). Academic advising and support for Indigenous students is offered through the University of Saskatchewan Community of Indigenous Nursing (UCIN) program. University of Saskatchewan Student Learning Services are available to all students throughout the academic year.
