

WELCOME TO THE UNIVERSITY OF SASKATCHEWAN COLLEGE OF NURSING

On behalf of the University of Saskatchewan (USask) College of Nursing, we are pleased to welcome you to the Bachelor of Science in Nursing (BSN) program!

You are entering a nursing program that is approved by the [College of Registered Nurses of Saskatchewan](#) and accredited by the [Canadian Association of Schools of Nursing](#).

Through the integration of research, education, and practice, USask College of Nursing strengthens nursing, health, and the health care system. We value integrity, social justice, unconditional positive regard, achieving one's potential, and have high expectations of our faculty, staff, and students.

You will be taught by exceptional registered nurses who are committed to collaborative practice and patient-centered care. You will be supported throughout your program by College of Nursing staff who are here to help you along your way with everything from academic advising to ensuring you fulfill your clinical requirements.

TEXTBOOKS

Order your textbooks and medical supplies from the Shop USASK Bookstore website at: shop.usask.ca Under *Course Materials*, select *My Textbooks*. To access your textbook list, you will need to enter your NSID (example: abc123) and password.

Secondhand books may also be purchased from former or upper-year students. Textbooks can also be ordered through amazon.ca. However, *please check that the ISBN number* is the same as posted by the professor for the class.

LIBRARY SERVICES

As a University of Saskatchewan student, you have remote access to a number of resources through the University of Saskatchewan Library. These can be accessed through the Library Resources channel in your PAWS account at paws.usask.ca or at library.usask.ca.

<https://nursing.usask.ca/library-information/overview.php>

Distance and Distributed Library Services (DDLs) are available at no charge to all University of Saskatchewan students, faculty, and staff living outside Saskatoon. The library will supply materials

from our collections in response to requests submitted electronically. Books will be mailed with a postage paid return label. Copies of journal articles do not have to be returned.

<https://library.usask.ca/ddls/index.php>

STUDENT WELLNESS HEALTH PLAN

Full-time, on- main campus students automatically pay for a health and dental plan provided through their student association (the USSU for undergraduate students). You must have a Saskatchewan health card, (or health coverage equal to or greater than that provided by a Saskatchewan health card) in order to make a claim on this extended health coverage. See the details in the link below.

<http://students.usask.ca/health/health-plans.php#StudentHealthandDentalPlan>

Students who are located at Lloydminster will not be paying into the plan. This Health Insurance fee is charged to your fall student fees only. If you are off campus in term 1, you will not be assessed the fee. **If you wish to have coverage, you must opt in.**

Please contact I have a Plan: ihaveaplan.ca for more details.

GUIDANCE RESOURCES FOR OFF CAMPUS STUDENTS

Through USask's **free** Guidance Resources program, off-campus and distance students can speak with financial experts, health coaches, mental-health clinicians, and lawyers.

Specialists are also available to provide prescreened referrals and resources for just about anything on your to-do list. See details in the link below.

<https://students.usask.ca/index.php>

ACCESS AND EQUITY SERVICES

Students with disabilities or requiring services or accommodation based on other prohibited grounds—including religion, family status (including pregnancy) or gender identity—can access support through University of Saskatchewan Access and Equity Services at

<https://students.usask.ca/health/centres/access-equity-services.php> as well as over the phone advising services with an academic advisor.

ACADEMIC ADVISING AND LEARNING SERVICES

Academic advising is available over the phone with an advisor. Book an appointment and access frequently used forms: <https://nursing.usask.ca/advising/overview>. Additionally, academic advising and support for Indigenous students is offered through the University of Saskatchewan Community of Aboriginal Nursing (UCAN) group: <https://nursing.usask.ca/indigenousing/initiatives/ucan.php>

University of Saskatchewan Student Learning Services are available to all students throughout the academic year at: <https://library.usask.ca/studentlearning>.

CLINICAL REQUIREMENTS

Please review the document titled ***Important Clinical Requirements*** included with this package. This document includes a checklist of requirements and deadlines which must be completed for Term 1 (some as early as mid-August). This document is also available through this link <https://nursing.usask.ca/documents/clinical/clinical-requirements-lloyd.pdf>.

Be advised that your clinical shifts can occur on evenings, weekends, and stat holidays plus the schedule can change with short notice. Do not plan any event during clinical – exceptions will not be made.

IMPORTANT CLINICAL REQUIREMENTS LLOYDMINSTER SITE

The Health and Safety Clinical Requirements **must be completed** prior to entering a clinical setting. Full details and select forms can be found online at: nursing.usask.ca/clinical/health-and-safety.php.

Ensure your scan clearly shows your name, the certificate/document type, and date completed prior to sending. **Please name the file with your NSID** (example: abc123). Please only send .pdf, .jpg, or .png files.

PLEASE send all clinical requirement documents to: regina.clinical@usask.ca

IMMUNIZATION REQUIREMENTS

GENERAL INFORMATION

- The University of Saskatchewan requires that all students attending a Health Science College provide documented proof of immunization.
- All nursing students are required to complete the recommended immunizations for health care workers as outlined in the [Saskatchewan Immunization Manual, Chapter 7 Section 6.3](#) (available online at: www.ehealthsask.ca/services/manuals/Pages/SIM.aspx) prior to any contact between students and patients/clients.
- Students are required to submit to the College of Nursing proof of immunizations prior to participation in clinical experience.
- Failure to maintain recommended immunizations may delay a student's progress in their studies.
- Specific immunizations will be required for certain clinical placements and in specific circumstances such as disease outbreaks. Students who refuse or are unable to comply with this requirement may be at risk of not being able to complete required components of their program.
- Any applicable costs of immunization are the responsibility of the student.
- **CONSENT FORM BELOW:** Immunization records and/or serology results will be shared from Student Wellness and/or the Nurse reviewing your records with your College and clinical placements throughout your studies as required – this is to ensure your safety and the safety of your clients. You are required to sign a consent form to authorize sharing of this information.

IMMUNIZATION INSTRUCTIONS

1. Review Specific Immunization Requirements below.
2. Locate your childhood and adult immunization records. If you do not have these records, contact your Public Health Unit or Family Doctor.
3. Send a **copy** of your **Consent Form (see pg 5) AND Immunization Records by August 15** (earlier is better if you can) to

Email – nursing.immunizations@usask.ca

4. You may choose to see your Family Physician to begin and/or complete your immunization review.

SPECIFIC IMMUNIZATION REQUIREMENTS

Tetanus/Diphtheria (Td):

- Primary series of 3-5 doses, then a booster every 10 years

Pertussis:

- Primary series and adults are encouraged to have a Td booster with the pertussis component once in their adult lifetime. Some colleges mandate this.

Polio:

- Primary series, booster if travelling in endemic areas

Measles, mumps, rubella (MMR):

- Proof of immunity by serological evidence (please attach) OR by documented proof of vaccination with **2 doses** of measles, mumps and rubella.

Tuberculin skin test (TST):

- Initial base line skin test required prior to client contact
- If there is a history of a positive Tuberculin, a CXR is required.

Hepatitis B:

- A series of two or three doses followed by an antibody check
- If you have already received the series, lab evidence of immunity is required (please attach).
- If the Hepatitis B Surface Antibody is non-immune (0 mIU/ml), a Hepatitis B surface antigen test must be done. If the antigen test is positive, consult your Health Care Provider. Refer to your specific College Policy for guidelines regarding clinical practice.
- If the antigen test is negative, (and antibody non-immune); revaccination and reassessment for immunity must be done.
- **Note:** if you do not currently have your Hepatitis B immunizations you should begin this series as soon as possible, as it takes several months to complete.

Varicella (Chickenpox)

- Serological evidence of immunity (please attach) OR proof of one or two doses of varicella vaccination

Influenza

- Recommended annually

COVID-19

- Strongly recommended

Nursing Immunization Requirements Consent

I agree to comply with all immunization requirements of the University of Saskatchewan. I give consent for my immunization records and/or serology results to be shared with my college, clinical placements, and administrative staff, as appropriate.
