

WELCOME TO THE UNIVERSITY OF SASKATCHEWAN COLLEGE OF NURSING

On behalf of the University of Saskatchewan (USask) College of Nursing, we are pleased to welcome you to the Bachelor of Science in Nursing (BSN) program!

You are entering a nursing program that is approved by the [College of Registered Nurses of Saskatchewan](#) and accredited by the [Canadian Association of Schools of Nursing](#).

Through the integration of research, education, and practice, USask College of Nursing strengthens nursing, health, and the health care system. We value integrity, social justice, unconditional positive regard, achieving one's potential, and have high expectations of our faculty, staff, and students.

You will be taught by exceptional registered nurses who are committed to collaborative practice and patient-centered care. You will be supported throughout your program by College of Nursing staff who are here to help you along your way with everything from academic advising to ensuring you fulfill your clinical requirements.

LIBRARY SERVICES

As a University of Saskatchewan student, you have remote access to a number of electronic resources through the University of Saskatchewan Library. These can be accessed through the Library Resources channel in your PAWS account or at <https://library.usask.ca>

STUDENT WELLNESS-HEALTH PLAN

Full-time, on-campus students automatically pay for a health and dental plan provided through their student association (the USSU for undergraduate students and the GSA for graduate students). You must have a Saskatchewan health card, (or health coverage equal to or greater than that provided by a Saskatchewan health card) in order to make a claim on this extended health coverage. See the details in the link below. <https://students.usask.ca/health/health-plans.php>

ACCESS AND EQUITY SERVICES

Students with disabilities such as Medical-based or learning, or requiring services or accommodation based on other prohibited grounds of discrimination — including religion, family status (including pregnancy) or gender identity—can access further information and support through University of Saskatchewan Access and Equity Services at <https://students.usask.ca/health/centres/access-equity-services.php>.

ACADEMIC ADVISING AND LEARNING SERVICES

Academic advising is available on-site or virtually at the College of Nursing. Book an appointment and access frequently used forms at: <https://nursing.usask.ca/advising/overview.php>

Additionally, academic advising and support for students is offered through the University of Saskatchewan Community of Indigenous Nursing (UCIN) program: [University of Saskatchewan Community of Indigenous Nursing - College of Nursing | University of Saskatchewan \(usask.ca\)](https://nursing.usask.ca/ucin/).

University of Saskatchewan Student Learning Services are available to all students throughout the academic year at <https://library.usask.ca/studentlearning/>

CLINICAL REQUIREMENTS

Please review the document titled **Important Clinical Requirements** included with this package. This document includes a checklist of requirements and deadlines that must be completed for term 1 (some as early as mid-August). This document is also available through this link: <https://nursing.usask.ca/clinical/health-and-safety.php>

****Please note that all students will complete clinical rotations outside of their home site throughout all years. Be advised that your clinical shifts can occur on evenings, weekends, and stat holidays; plus the schedule can change with short notice. Do not plan any events during clinical – exceptions will not be made.***

CAMPUS MAPS

The University of Saskatchewan campus is a large complex space, and some students may not have had access to the Health Sciences building previously. To locate classes and labs, you can view maps on <https://healthsciences.usask.ca/building-operations/building-policies-and-maps.php#MAPS> of all wings.

You can also visit <https://maps.usask.ca/> to see where buildings are located on campus, where paid parking is available, and other amenities such as food services.

IMMUNIZATION REQUIREMENTS FOR NURSING STUDENTS SASKATOON BSN

GENERAL INFORMATION

- ☐ The University of Saskatchewan requires that all students attending a Health Science College provide documented proof of immunization.
- ☐ Please review [USask Clinical Immunizations](#) for the most up to date information
- ☐ All nursing students are required to complete the recommended immunizations for health care workers as outlined in the [Saskatchewan Immunization Manual](#)(available online at: [EHealth Services](#) prior to any contact between students and patients/clients.
- ☐ Students are required to submit to the College of Nursing proof of immunizations prior to participation in clinical experience.
- ☐ Failure to maintain recommended immunizations may delay a student's progress in their studies.
- ☐ Specific immunizations will be required for certain clinical placements and in specific circumstances, such as disease outbreaks. Students who refuse or are unable to comply with this requirement may be at risk of not being able to complete required components of their program.
- ☐ Any applicable costs of immunization are the responsibility of the student.
- ☐ **CONSENT:** Immunization records and/or serology results will be shared from Student Wellness and/or the Nurse reviewing your records with your College and clinical placements throughout your studies as required – this is to ensure your safety and the safety of your clients. You are required to sign a consent form to authorize sharing of this information and provide this consent form to Student Wellness. Please send your immunization records and consent form via PDF format.

IMMUNIZATION INSTRUCTIONS

Review your immunization requirements.

Locate your childhood and adult immunization records. If you do not have these records, contact your Public Health Unit or Family Doctor.

If you were immunized in and around the Saskatoon area, please visit this website: [SHA Immunization Locations](#) or call the immunization record line at 306-655-4090. There is a charge to get your records.

If you were immunized in and around the Regina area, call the Immunization Office at 306-766-7904. There is a charge to get your records.

For all other regions, contact your Home Public Health region. If you need to determine which region to contact, please visit: <https://www.saskhealthauthority.ca/facilities-locations>.

Send a **copy** of your immunization records AND Consent Form (see below) via PDF format by: **August 15, 2024 (earlier is better if you can)** to: Email: Student.wellness@usask.ca **OR** Fax: Pam Komonoski at 306-966-5786

Note: Your documents **must** be submitted to Student Wellness before your appointment. The TST (tuberculin skin test) requires results read 48-72 hours after it is administered. Student Wellness charges \$40 payable by debit or credit. This means two appointments, two days apart, for most students.

Please contact Student Wellness directly to schedule your appointments with them after sending in your immunization records: [Student Wellness](#).

For additional questions and immunization review inquiries, contact 306-966-5768.

***Important: You must have an appointment.**

The College of Nursing requires your immunizations to be reviewed by Student Wellness and submitted to the College of Nursing by: **October 14, 2024**. We recognize this may be “in progress/incomplete” as of this date. New or updated immunizations may be required, but we require the initial review to be complete, and the report submitted to the College, or this may prevent you from attending your clinical placement. Once all immunizations are **complete**, please submit your completed report to the College of Nursing via email: nursing.saskatoonclinical@usask.ca. This submission date may vary depending on how many new or updated immunizations you may need.

SPECIFIC IMMUNIZATION REQUIREMENTS

Tetanus/Diphtheria (Td):

- ☐ Primary series of 3-5 doses, then a booster every 10 years

Pertussis:

- ☐ Primary series and Tdap or Tdap – Pertussis booster

Polio:

- ☐ Primary series, booster if travelling in endemic areas

Measles, mumps, rubella (MMR):

- ☐ Proof of vaccination (2 doses) OR proof of immunity by serological evidence

Tuberculin skin test (TST):

- ☐ Two step TST required prior to client contact

Hepatitis B:

- ☐ Two or three doses followed by an antibody check
- ☐ If you have already received the series, lab evidence of immunity is required
 - If the Hepatitis B Surface Antibody is non-immune, Student Wellness will provide further direction
 - **Note:** if you do not currently have your Hepatitis B immunizations you should begin this series **as soon as possible**, as it takes several months to complete.

Varicella (Chickenpox)

- ☐ Serological evidence of immunity OR proof of two doses of varicella vaccination

Influenza

- ☐ Strongly recommended

Covid-19

- ☐ Strongly recommended

Immunization Requirements Consent

I agree to comply with all immunization requirements of the University of Saskatchewan. I give consent for my immunization records and/or serology results to be shared with my college, clinical placements, and administrative staff, as appropriate.
