WELCOME TO THE UNIVERSITY OF SASKATCHEWAN COLLEGE OF NURSING

On behalf of the University of Saskatchewan (USask) College of Nursing, we are pleased to welcome you to the Post Degree Bachelor of Science in Nursing (PDBSN) option!

You are entering a nursing program that is approved by the [College of Registered Nurses of Saskatchewan](#) and accredited by the [Canadian Association of Schools of Nursing](#).

Through the integration of research, education, and practice, USask College of Nursing strengthens nursing, health, and the health care system. We value integrity, social justice, unconditional positive regard, achieving one's potential, and have high expectations of our faculty, staff, and students.

You will be taught by exceptional registered nurses who are committed to collaborative practice and patient-centered care. You will be supported throughout your program by College of Nursing staff who are here to help you along your way with everything from academic advising to ensuring you fulfill your clinical requirements.

ACADEMIC ADVISING AND LEARNING SERVICES

Academic advising is available on-site or virtually at the College of Nursing. Book an appointment and access frequently used forms at: [Academic Advising Overview](#).

Additionally, academic advising and support for students is offered through the University of Saskatchewan Community of Indigenous Nursing (UCIN) program: [University of Saskatchewan Community of Indigenous Nursing](#).

University of Saskatchewan Student Learning Services are available to all students throughout the academic year at: [Student Learning Services](#).

LIBRARY SERVICES

As a University of Saskatchewan student, you have remote access to a number of electronic resources through the University of Saskatchewan Library. These can be accessed through the Library Resources channel in your PAWS account or at: [Library Services](#).

STUDENT WELLNESS-HEALTH PLAN

Full-time, on-campus students automatically pay for a health and dental plan provided through their student association (the USSU for undergraduate students and the GSA for graduate students). You must have a Saskatchewan health card, (or health coverage equal to or greater than that provided by a Saskatchewan health card) in order to make a claim on this extended health coverage. See the details here: [Student Wellness Health Plan](#).

ACCESS AND EQUITY SERVICES

Students with disabilities such as Medical-based or learning, or requiring services or accommodation based on other prohibited grounds of discrimination — including religion, family status (including pregnancy) or gender identity—can access further information and support through University of Saskatchewan Access and Equity Services at: [Access and Equity Services](#).

Be advised that your clinical shifts can occur on evenings, weekends, and stat holidays and the schedule can change with short notice. Do not plan any event during clinical – exceptions will not be made.

CAMPUS MAPS

The University of Saskatchewan campus is a large complex space, and some students may not have had access to the Health Sciences building previously. To locate classes and labs, you can view maps of all wings here: [Campus Maps](#).

You can also visit [USask Maps](#) to see where buildings are located on campus, where paid parking is available, and other amenities such as food services.
